PRELIMINARY AMENDMENT

Dear Sir:

Applicants respectfully request that the following amendments be entered prior to examination of the specification filed concurrently herewith, and prior to calculation of the fees therefor:

In the Abstract:

This invention relates to derivatives of 3,6-disubstituted azabicyclo[3.1.0]hexanes compounds. The compounds of this invention can function as muscarinic receptor antagonists, and can be used for the treatment of various diseases of the respiratory, urinary and gastrointestinal systems mediated through muscarinic receptors. The invention also relates to
